3. The Company intends to use internal sources of funds, or external borrowings, or a combination of both, to finance the purchase or acquisition of its Shares pursuant to the proposed Share Purchase Mandate. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the financial position of the Company, cannot be ascertained as at the date of this Notice as these will depend on the number of Shares purchased or acquired and the price at which such Shares were purchased or acquired.

The financial effects of the purchase or acquisition of such Shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Company and the Company and its subsidiaries for the financial year ended 31 December 2008, based on these assumptions, are set out in paragraph 3.7.3 of the Letter to Shareholders contained in the Circular.
