- Ordinary Resolution No. 6 is to approve the payment of an aggregate sum of \$517,500 as Directors' remuneration for the financial year ended 31 December 2016. If approved, each of the Directors will receive approximately 70% of his Directors' remuneration in cash and approximately 30% of his Directors' remuneration in the form of a restricted share award pursuant to the TeleChoice Restricted Share Plan ("Restricted Share Plan"). Please refer to the section on "Remuneration Matters" in the Corporate Governance Report on pages 27 to 42 of the Annual Report 2016 for the rationale in including a share component to the Directors' remuneration. The number of Shares to be awarded will be based on the volume-weighted average price ("VWAP") of a Share listed on the SGX-ST over the 14 trading days commencing on (and including) the ex-dividend date that immediately follows the date of this Annual General Meeting. The number of Shares to be awarded will be rounded down to the nearest thousand shares, and any residual balance settled in cash. The restricted share awards will consist of the grant of fully paid shares, without any performance or vesting conditions attached. However, in order to encourage alignment of interest of the Directors with the interests of shareholders, a Director is required to hold such number of Shares equivalent to at least: (i) the prevailing annual basic Board retainer fee, based on the VWAP of a Share listed on the SGX-ST over the 14 trading days from (and including) the ex-dividend date (if any) following the date of the Company's last concluded Annual General Meeting (and in the event that no dividend is declared at such last concluded Annual General Meeting, the VWAP of a Share listed on the SGX-ST over the 14 trading days commencing after the date of such last concluded Annual General Meeting); or (ii) the total number of Shares awarded to that Director under the Restricted Share Plan for the financial year ended 31 December 2016 and onwards, whichever is lower. Notwithstanding the foregoing, a Director is permitted to dispose of all of his Shares after the first anniversary of the date of his cessation as a Director of the Company.
- Ordinary Resolution No. 8 is to authorise the Directors to issue Shares in the capital of the Company and to make or grant instruments (such as warrants or debentures) convertible into Shares, and to issue Shares in pursuance of such instruments, up to an amount not exceeding in total 50% of the issued Shares (excluding treasury shares) in the capital of the Company, with a sub-limit of 20% for issues other than on a *pro rata* basis to shareholders. For the purpose of determining the aggregate number of Shares that may be issued, the percentage of issued share capital shall be based on the issued share capital of the Company at the time that Ordinary Resolution No. 8 is passed, after adjusting for (a) new Shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that Ordinary Resolution No. 8 is passed, and (b) any subsequent bonus issue, consolidation or subdivision of Shares.
- Ordinary Resolution No. 9 is to authorise the Directors to offer and grant awards and to allot and issue Shares in the capital of the Company in accordance with the rules and terms of the Restricted Share Plan and/or the TeleChoice Performance Share Plan (the "Performance Share Plan") (the Restricted Share Plan and the Performance Share Plan shall collectively be referred to as the "Share Plans"), provided that the aggregate number of Shares to be allotted and issued pursuant to the Share Plans shall not exceed 15% of the total number of issued Shares in the capital of the Company (excluding treasury shares) from time to time. The Restricted Share Plan and the Performance Share Plan were adopted by the shareholders of the Company at an Extraordinary General Meeting of the Company held on 27 April 2007. Details of the Restricted Share Plan and the Performance Share Plan are set out in the Company's circular to shareholders dated 11 April 2007. The grant of options and/or awards under the respective Share Plans will be made in accordance with their respective provisions.
- Ordinary Resolution No. 10 is to renew the mandate to allow the Company, its subsidiaries and its associated companies that are entities at risk or any of them to enter into certain interested person transactions with certain classes of interested persons as described in Annexure 1 to the Appendix to the Annual Report dated 5 April 2017 (the "Appendix"). The authority will, unless revoked or varied by the Company in general meeting, continue in force until the conclusion of the next Annual General Meeting of the Company.
- Ordinary Resolution No. 11 is to renew the mandate to allow the Company to purchase or acquire issued ordinary Shares in the capital of the Company on the terms and subject to the conditions of the Resolution.
The Company may use internal resources or external borrowings or a combination of both to fund the purchases or acquisitions of Shares pursuant to the proposed Share Purchase Mandate. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the financial position of the Company, cannot be ascertained as at the date of this Notice as these will depend on the number of Shares purchased or acquired and the price at which such Shares were purchased or acquired.
The financial effects of the purchase or acquisition of such Shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Company and the Company and its subsidiaries for the financial year ended 31 December 2016, based on certain assumptions, are set out in paragraph 3.7.3 of the Letter to Shareholders in the Appendix.
- Special Resolution No. 12 is to adopt a new Constitution following the wide-ranging changes to the Act introduced pursuant to the Companies (Amendment) Act 2014 (the "Amendment Act").
